

THE DEMONSTRATORS

COPY:

Selling an hilarious line of “wonder products” Barry and Len have no problem finding punters to watch and take part in their demonstrations which are both slick, unconvincing and hilarious.

With products for all the family Barry and Len have the audience in stitches as they fail to sell an astonishing array of gadgets, gizmos and gimmicks including.....

Killit Wallop – multi purpose cleaner/hangover cure

Bison 01 – bag-less vacuum- it beats as it sweeps as it maims.

Propper Chopper – it chops, it dices, it slices quickly and indiscriminately!!

‘Unbreakable crockery’ – smashing stuff!!

Imagine QVC meets TOMORROWS WORLD..... on wheels!!

Remember.....none of these products are available in the shops (for legal reasons)!!

The performance is perfect for a family audience.
3x30min or 2x45min performances per day.

TECH SPEC:

- This show consists of a 3ft booth on wheels. We require parking for a high top van within 200m of the performance site, or stewarded drop off site, where the booth can be assembled (taking approx 40 minutes) and left in safety. It can then be wheeled to the performance area.
- A steward to accompany the booth during the performance.
- Between shows the booth needs either guarding or safe storage.
- Secure changing - the van is fine if it is close to the site, but feel free to spoil us.
- All our performances are self contained for power, water and anything else we use.
- Parking close to the performance site is the greatest gift you can bestow!
